

Dear JOM Colleagues,

Take five minutes to answer these questions in order to save the JOM program, because JOM funding is under attack! This information will be taken to Congress.

1. How much JOM money and tribal monies do you receive for your school? What tribe provides funding?

2. How many students do you serve?

3. How long have you been involved with JOM?

4. List the types of cultural activities your funding supports?

5. List all services you provide with your funding. i.e. direct student services, if tutoring what subjects?

6. What percentage of your funding goes for IEC expenses, list services?

7. Do you involve your parents? List how.
